

Dear potential Wild Oak families:

We are excited that you are taking this first step to becoming part of Wild Oak!

The upheaval of the last year has forced many of us to reevaluate our children's school experience. As parents of children ourselves, we know what it feels like to want the absolute best for your child, but to simultaneously be uncertain about exactly how to accomplish that.

Your child will have the opportunity to enter in a learning environment at Wild Oak that is intentionally personal. Your child's teacher, by nature of our small and individualized model, will *know* your child's strengths, challenges, passions, and proclivities in and out. We like to think of our model as bringing the homeschool and traditional school models together. We hope that you and your family will share in this journey with us.

The questions we ask you in this application are intended to help us get to know your child better as an individual, a potential classmate, and a learner. We—you, your family, and Wild Oak—need to ensure that our school model is the right one to support your child's specific educational, social, and emotional growth, and is able to ignite their passion for learning.

If there is a sensitive matter that you would rather discuss in person, please communicate that in your written response. We will be holding in-person interviews to give all parties further opportunities for discussion and questions, therefore we can address those matters at that time.

We are here wholeheartedly for you and your family. Please do not hesitate to reach out to us.

Sincerely,

Cecily Rouse Timmons
Co-Director, Board President

Lindsay Brotherton Jalonon
Co-Director, Board Vice President
